

iStore Univers EMS monitoring portal provides real-time monitoring, anywhere and anytime!

**Australian owned**  
with local warranty & tech support

**Modular Design**  
Scalable from 5kWh up to 30kWh

**More Usable Energy**  
100% DoD + Energy Optimisers maximise usable energy.

**Safe & Reliable**  
LPF Cell  
4-layer safety protection

## Welcome to a new era of energy independence and sustainability with the iStore product range.

The iStore energy storage system is here. The perfect option to couple with any iStore inverter, the iStore solar battery can be modified to suit your energy needs, however large they may be.

Introducing the iStore Solar Battery. The optimised modular design offers flexibility, allowing you to scale capacity from 5kWh to an impressive 30kWh of energy storage.

Safety takes centre stage with 4 layers of industry-leading protection. Plus with 100% Depth-of-Discharge and built-in energy optimisers, usable energy can be maximised by more than 10% over the lifecycle.\*

\*Theoretical value from the Global Compliance Testing Center in specific test environments, and may vary due to differences in products, software versions, use conditions, and environmental factors.

### Key Benefits

- ✓ Scalable from 5kWh up to 30kWh
- ✓ 100% Depth of discharge
- ✓ Energy Optimisers prevent aged or faulty battery modules negatively impacting others
- ✓ Slim (only 15cm), wall or floor-mounted
- ✓ Lithium-Iron-Phosphate battery cells not susceptible to thermal runaway
- ✓ Superior safety with 8 temperature sensors per module + automatic fire-extinguisher
- ✓ Optional 'Backup Box' for emergency backup power to essential circuits during a grid-outage
- ✓ 100% Australian-owned with local warranty & tech support
